MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: State Department Request for Transcript
of Testimony Before Gore Subcommittee

1. If you want Secretary Rogers to see the transcript, recommend you handle it with him directly very much on an "Eyes Only" basis rather than via the INR channel through which the request was made.

2. I think we are now in good shape with Senator Fulbright and the Foreign Relations Committee staff, and they have been most cooperative in the secure handling of transcripts, etc. But these are their transcripts, not ours, and if they bounce around in INR or on low levels in State I am afraid word will get back to Marcy and company and we will be in real trouble. Therefore suggest that Bruce Clarke give a negative response to Weiss and you take it up with Rogers personally.
